General Athletic Information 2017-2018

All athletes must fulfill the clearance process in order to participate in any sports program at Valhalla. To complete the process, please go to the Valhalla website at valhalla.guhsd.net and click *Athletic Clearance* under the *Athletics Tab*. The clearance process includes the following:

- 1) Physical Examination – A physical exam is required before students may tryout, practice, or enter into competition. You will need to download the *Physical Exam Form* from the Valhalla website. You may visit your own physician, a walk-in clinic, or the school sponsored *Sports Physical Clearance Night(s) (Dates TBD)*.
- 2) Proof of Insurance – If you do not carry personal insurance, *Student Accident Insurance* is available through the school. This insurance coverage will fulfill the requirements for athletic participation. In either case, the parent is responsible for providing insurance. *Student Accident Insurance* forms can be found on the table located in front of the Finance Office.
- 3) Student and Parent Agreements – All athletes and their parent(s) or guardian(s) must agree to follow the *CIF Code of Ethics*, *Hazing Code* and the *Concussion Awareness* Forms.

Expectations and Standards

The Athletic Program is funded through the Associated Student Body. Athletes are encouraged to purchase an ASB Card. Our program at Valhalla is under the jurisdiction of the Grossmont Union High School District and the California Interscholastic Federation. Eligibility for participation in our athletic programs requires students to meet both the GUHSD and CIF Standards. These standards are available online at the GUHSD and CIF websites and in the Assistant Principal's Office.

For additional information about policies and procedures for Valhalla Athletics, visit the Athletics Page on the Valhalla website. You can download the *Athlete/Parent Handbook* for details.

For additional information regarding your sport you may refer to the athletic link on the Valhalla website, call your coach, or contact the athletic secretary at (619) 593-5324.

A student-athlete entering an NCAA Division I or Division II college or university must meet specific academic standards as well as minimum SAT or ACT score requirements as determined by a Clearinghouse Certification Specialist in order to be eligible to practice and compete on an inter-collegiate team during his/her freshman year. Freshmen not meeting these standards may still enroll in a Division I or II school, but they will not be allowed to practice or play during their first year. After the first year of attendance, the student may become eligible for financial aid, practice, and competition if he/she is a regularly enrolled student in good academic standing.

The NCAA Division I initial-eligibility rules have changed. For students entering college or university on or after August 1, 2005, your eligibility will be evaluated using the new rule listed on page 15. For students entering any Division I college or university *on or after August 1, 2008*, your NCAA initial eligibility will be evaluated under the 16 core-course rule. The 16 core-course rule INCREASES the number of core courses from 14 to 16 for Division I only. Students must complete three years of mathematics (Algebra I or higher), and four years of additional core courses. The additional core course may be taken in any area: English, mathematics, natural/physical science, social science, foreign language or nondoctrinal religion/philosophy.

For more information regarding the new rule or if you have questions as to which courses at your school meet these requirements, visit the NCAA website at <http://www.ncaaclearinghouse.net/>, or for questions regarding NCAA Eligibility, please call NCAA Eligibility Clearinghouse toll free at (877) 262-1492. You may also call the NCAA at (317) 917-6222.

In order to be eligible under NCAA guidelines, a freshman must meet the following requirements:

1. Graduate from high school
2. Have a GPA (unweighted) and combined score on the SAT verbal and math section or a sum score on the ACT based on the GPA test Score Sliding Scale on the next page.
3. A minimum grade point average of 2.0 in the following core curriculum classes:

Core Units Required for NCAA Certification			
	Division I 2005-2007	Division II 2005 and after	Division I 2008 and after
English Core	4 years	3 years	4 years
Math Core [at the Alg I level or higher]	2 years	2 years	3 years
Science Core [including lab] Social Science Core	2 years	2 years	2 years
	2 years	2 years	2 years
Additional core courses in English, Math, or Natural or Physical Science	1 year	2 years	1 year
Additional Core Courses [In any of the above areas or foreign language, computer science, philosophy or nondoctrinal religion (eg. comparative religion) courses.]	3 years	3 years	4 years
TOTAL CORE UNITS REQUIRED	14	14	16

For students entering college on or after August 1, 2005, computer-science courses may only be used for initial-eligibility purposes if the course receives graduation credit in mathematics or natural/physical science and is listed as such on the high school's list of NCAA-approved courses.

ATTENTION: All prospective student-athletes intending to enroll in an NCAA Division I or II institution for the first time on or after August 1, 2007 must complete the NCAA Amateurism Certification questionnaire. If you enrolled full time in a Division I or II institution prior to the Fall of 2007, you do not need to complete the amateurism questions.

NOTE: The NCAA has adopted new legislation that will require prospects who intend to enroll at NCAA Division I and Division II institutions to supply ACT or SAT score to the Clearinghouse directly from the testing agencies. **Test scores on an official high school transcript will no longer be usable for NCAA purposes.**

The SAT combined score is based on the Verbal and Math sections only. The new writing section will not be used.

In Division II, there is no sliding scale. The minimum core grading-point average is 2.000. The minimum SAT score is 820 (Verbal and Math only) and the minimum ACT sum score is 68.

Student-athletes should be aware that these requirements are minimums. Many universities, especially those in the University of California and California State University systems, may require that a student-athlete meet all university admission's requirements in order to be admitted. Information on this may best be obtained from the athletic staff at the college or university you are considering.

Sex Education

We welcome you and your child to the 2017-2018 school year, and extend our best wishes for a truly successful year. The Grossmont Union High School District will offer the following semester, year-long, and summer school courses, which may include instruction regarding sexually transmitted diseases and/or sex education:

Biology	Human Anatomy	Physical Education
Child Development	Integrated/Coordinated Science	Physiology
Civics	Life Management Skills	Psychology
Family Relations	On Your Own	Single Survival
		Sociology

The course descriptions for these classes are available at your student's school site. If you are interested in discussing the course content or reviewing the materials for any of the above classes, please contact the principal at your school, who will make arrangements with a staff member to discuss questions or concerns. Through the Director of Curriculum, (619) 644-8036, you may obtain a list of films/videotapes that are available for review.

The California Education Code (EC § 51934 et seq.) requires instruction in AIDS prevention and instruction in personal and public health and safety. It is the intent of the Legislature to encourage pupils to communicate with their parents or guardians about human sexuality and HIV/AIDS and to respect the rights of parents or guardians to supervise their children's education on these subjects (EC § 51937). The Legislature intends to create a streamlined process to make it easier for parents and guardians to review materials and evaluation tools related to comprehensive sexual health education and HIV/AIDS prevention education, and, if they wish, to excuse their children from participation in all or part of that instruction or evaluation. The Legislature recognizes that while parents and guardians overwhelmingly support medically accurate, comprehensive sex education, parents and guardians have the ultimate responsibility for imparting values regarding human sexuality to their children.

The California Education Code (EC § 51938): A parent or guardian of a pupil has the right to excuse their child from all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education. It also requires written and audio visual educational materials used in comprehensive sexual health education and HIV/AIDS prevention education to be available for inspection. The comprehensive sexual health education or HIV/AIDS prevention education will be taught by school district personnel or by outside consultants (within discretion of GUHSD). Parents or guardians may request a copy of instructional materials from the student's school site. Parents or guardians who do not wish their child to receive comprehensive sexual health or HIV/AIDS prevention education may make their requests in writing to the student's school site. The California Education Code (EC § 51939) states that if a written request has been received from the pupil's parent or guardian excusing the pupil from participation in comprehensive sexual education or HIV/AIDS prevention education, or participation in any anonymous, voluntary, and confidential test, questionnaire, or survey on pupil health behaviors and risks, then a pupil may not attend any such excused activity, may not be subject to disciplinary action, academic penalty, or other sanction, and an alternative educational activity shall be made available to the pupil.

BEHAVIOR EXPECTATIONS

ACADEMIC DISHONESTY

Students are expected...

- **To practice responsible and honest behavior.**
- **To complete their own work to the best of their ability.**

Academic honesty is essential to quality education. All students are expected to do their own work. Acts of academic dishonesty, which will not be tolerated within the Grossmont Union High School District, are listed below:

- Cheating on tests.
- Fabrication (any intentional falsification or invention of date, citation, or other authority in an academic exercise).
- Unauthorized collaboration.
- Plagiarism (stealing and passing off as one's own words or ideas of another).
- Theft or alteration of materials.

"Standardized testing security breaches are considered a serious matter. Consequences for violating test security could result in suspension through referral to an alternative education program. Examples of testing security breaches include any photographing of testing booklets or answer documents, and include sharing of test questions/answers with other students."

Consequences:

Any student found to be copying the work of others, giving answers to others, turning in work of others, or otherwise cheating on school assignments will receive a zero on the work with no makeup permitted. In addition, the student will be assigned to an in-school Academic dishonesty class, Mending Matters. This offense may also carry further penalty depending on the nature of the cheating. If there is a second offense of academic dishonesty the student will be assigned to Saturday School. A third and subsequent instance of academic dishonesty during a student's tenure at Grossmont Union High School District will result in an immediate drop from any course in which the third violation took place. With respect to Valhalla's "blocked" courses in Humanities II: Students will be dropped from the course where the offense occurred (unless the offense is on an interdisciplinary assignment and drop criteria is met in both courses); however, the student is still responsible for interdisciplinary content, which may be demonstrated in projects, writing, tests, and other assignments.

ATTENDANCE

The Grossmont Union High School District recognizes the relationship between positive student attendance and academic success. The District expects students to attend regularly and punctually and encourage parents to actively support this behavior. Truancy and tardiness to school/class results in: A loss of opportunity for maximum time on task, a decreased level of learning, and a disruption to others' learning processes.

In accordance with **State Education Code** requirements, a student must be in class a minimum of sixty hours (60) to receive five units of credit. There will be no automatic drop from class. Students may be dropped for excessive absences (exceeding 15 hours), if the teacher makes a parent contact and determines that the absences in combination with lack of effort, lack of academic success, or poor attitude results in disruptive behavior. Suggested strategies for contacting parents/guardians would include telephone contact or in-office conference. Students and parents/guardians must recognize that there is a direct relationship between school attendance and grades/credits earned.

Single period absences, may be made up voluntarily, with sanctioned after-school tutoring, or detentions. Full day absences may be made up by voluntarily attending Saturday School. Students and parents are encouraged to closely monitor attendance during the school year via Infinite Campus. Students are strongly encouraged to make up absences before the end of the semester.

ABSENCE POLICY

The following are the two types of absences recognized by the Grossmont Union High School District:

- 1. Excused Absence:** Work may be made up for full credit, and faculty assistance will be available where needed. **EXAMPLES:** Personal illness, illness or death in the immediate family, medical and dental appointments, funerals, a call to court or others as designated by the Principal.
- 2. Unexcused Absence:** The school district and staff are released of all responsibility to the student. **EXAMPLES:** Truant to school, leaving school without first receiving permission from the Attendance Office or the Nurse, car problems or oversleeping.

**Extended absence due to medical emergency (request must be accompanied by a physician's note)*

Excusing Absences

Parent/Guardian should make every attempt to call the Attendance Office on the day of the student's absence.

The attendance office must be contacted to clear the student's absence by 2:30 p.m., at 593-5333, the day prior to returning to school.

ABSENCE PROCEDURES

Students MUST clear absences when absent from class for:

- One or more class periods **OR** One or more days

CLEAR ABSENCES before returning to classes:

- Bring a **NOTE** signed by parent/guardian **OR**
- The **parent/guardian may CALL THE ATTENDANCE OFFICE.**
Parent/Guardian may call 24 hrs a day. Please leave a message, messages are checked routinely.

Students have **TWO** days (48 hours) upon returning from the absence to clear an absence. All absences not cleared will be considered **truant**.

TRUANCY

Class attendance is important and crucial to academic success. State law requires that students be at school unless excused by the parent or appropriate school personnel. Truancy occurs when a student is absent from any portion of a class without a valid excuse.

Interventions:

Students may be referred to SART (Student Attendance Review Team) and/or SARB (Student Attendance Review Board).

Consequences:

Students will receive no credit for the time missed. No make-ups for missed assignments will be allowed. Five period trancies in a single period may result in a Saturday School assignment. In addition, full-day trancies may result in a Saturday School. Habitual truants will be considered defiant, may be dropped from class without credit.

LATE POLICY

Students are expected to attend school daily and be on time to class.

Learning the responsibility of punctuality is important. Disruptions caused by tardiness distract teachers and students and waste academic instructional time. Tardiness occurs when a student is not inside the classroom when the tardy bell rings. With proper notification to the attendance office, students are allowed up to three excused tardies for each semester. Students who need to see medical personnel on a regular basis must notify an assistant principal.

If students are NOT in the class ready to begin when the bell rings, the teacher will enforce the consequences set in their classroom expectations (see individual teacher Classroom Expectation sheets for further information).

These consequences may include, but are not limited to, the following: Teacher Assigned Detentions, loss of classroom participation points, loss of points in determining student conduct on progress report and/or final reports, or other similar consequences determined by the teacher. Excessive lates to any one class over a semester may be viewed as DEFIANCE on the part of the student and his/her inability to follow the established late policy. Teachers may write behavioral referrals for defiance, which could result in a drop from the class. Teachers will provide a course expectation sheet to each student at the beginning of the course. It is the responsibility of the student to know the classroom expectations for each class.

LATE TO SCHOOL because of illness/doctor/dentist appointment:

Report immediately to the Attendance Office

- Bring a **NOTE from a parent/guardian**, OR
- The **parent/guardian may CALL THE ATTENDANCE OFFICE** before the student arrives at school, OR
- A **NOTE from a doctor or dentist** will be accepted. Students will be sent to class.

LATE TO SCHOOL because student has overslept, had car problems, etc:

Report immediately to the Attendance Office.

- Considered unexcused; the tardy will be coded as a late and the student will be sent to class.

TARDY POLICY

Students are expected to be inside their classroom ready to begin instruction when the bell rings. Expect class to begin when the last bell rings. If students are NOT in the class ready to begin when the bell rings, the teacher will enforce the consequences set by class policy. Teachers will provide a course expectation sheet to each student at the beginning of the course. It is the responsibility of the student to know the classroom expectations for each class.

Interventions:

The Tardy Policy will be reviewed. A student, parent, and administrator conference may take place.

MAKE-UP WORK

Students with excused absences are allowed to make up work missed. It is the responsibility of the student to request, and the teacher to assign, make-up work. In consultation with the student, the teacher should provide sufficient time for make-up work.

BICYCLES, SKATEBOARDS, ROLLER SKATES, SCOOTERS

Students are expected...

- **To behave in a safe and orderly manner.**
- **To maintain a safe environment in the school.**

Bicycles, skateboards, and roller skates may not be ridden on campus any time. Serious injuries have occurred on campus in past years as a result of violations of this rule. Helmets must be worn while riding bikes to and from school.

Interventions:

The policy will be reviewed. A student, parent, and administrator conference may take place.

Consequences:

Penalties will range from warning through suspension. These items are considered a means of transportation. If used for recreational purposes, they will be confiscated. School is not responsible for theft or damage.

BUS TRANSPORTATION

Students are expected to behave in a safe and orderly manner.

Students who use the bus are expected to be prompt and demonstrate good manners. This includes, but is not limited to, staying near the bus stop area, keeping off private property, not disturbing plants/shrubs, and keeping the noise to a minimum. Once on the bus, riders must: follow the directions of the driver, remain seated, refrain from throwing any object in or out of the bus and exhibit good manners toward other passengers.

Interventions:

The policy will be reviewed. A student, parent, and administrator conference will take place.

Consequences:

Penalties will range from warning through suspension and may include loss of bus privileges for the remainder of the school year.

CLASSROOM BEHAVIOR

Students are expected...

- **To attend school daily, be prepared, and on time to class.**
- **To behave in a safe and orderly manner.**
- **To treat all human beings with respect.**
- **To follow all school rules and respect the authority and direction of school staff.**
- **To complete assigned work to the best of one's ability, turn assignments in on time and be a contributing member of each class.**

Students are expected to follow all classroom rules and instructions of staff at all times. Defiance, disrespect, and disruption of the educational process will

not be tolerated. All students are expected to be responsible and accountable for their own behavior, regardless of the behavior of others.

Interventions:

Behavior expectations may be reviewed with a counselor or administrator. Student, parent, and administrator conference may take place. Students may be referred to an appropriate campus support group to address behavior.

Consequences:

Students who defy class rules will be subject to a range of disciplinary actions. For minor infractions, teachers may choose to assign a Teacher Assigned Suspension (T.A.S.). This consequence is not placed on the student's permanent discipline record unless accompanied by referral written by teacher. Alternatively, the teacher may choose to send a student to the vice principal's office for violating a class rule. This action will be documented by the teacher in the form of a referral; the student will be counseled by the vice principal and receive a consequence appropriate for the behavior (normally a one-hour detention). A copy of the referral and administrative action will be given to the student. **Students who receive a third intervention from the same teacher during the course of a semester, or receive their second academic dishonesty referral from the same teacher, may be dropped from the class with loss of credit.** With respect to Valhalla's "blocked" courses in Humanities: Students will be dropped from the course where the offense occurred (unless the offense is on an interdisciplinary assignment and drop criteria is met in both courses); however, the student is still responsible for interdisciplinary content, which may be demonstrated in projects, writing, tests, and other assignments. Students who commit a safety violation may be dropped from class with a loss of credit on the first offense. The administration of a safety test in a P.E., science, or industrial tech class constitutes proper warning of the severity of safety violations. **Students who direct threats/profanity/vulgarity at a teacher will be dropped on a first offense.**

CLEAN CAMPUS

Students are expected to participate in maintaining a clean campus.

A clean campus reflects pride in our school. Students should recognize that Valhalla is our home and our place of business. All trash should be placed in the proper receptacles. It is not the responsibility of the custodial staff to clean up trash discarded irresponsibly by students. Students are expected to police the area where they sit before returning to class and to work

Interventions:

Students may participate in "Campus Beautification."

Consequences:

Students who litter are subject to trash detail on a first offense. Repeated offenses may result in after-school and Saturday "campus beautification" detail, whereby they assist with chores ranging from gardening to washing windows and any other maintenance efforts. Repeated offenses will result in consequences ranging from after-school detention to Saturday School.

CLOSED CAMPUS/GUESTS/OFF-CAMPUS PASSES

Students are expected to maintain a safe environment in the school.

All schools in the Grossmont Union High School District are closed campuses. This means that once students have arrived at school they may not leave the campus until their school day has been completed. Only persons having school business to conduct may be on campus and must immediately check in at the Receptionist's desk upon their arrival. In emergencies, parents should call the attendance office and make arrangements for the students to leave early.

Students are advised that they will not be allowed to receive lunches and other packages from other students or non-students during the school day. This includes deliveries of food from "Uber Eats", "Grub Hub" or similar, as well as deliveries of balloons, flowers or birthday gifts.

Interventions:

The Closed Campus/Off Campus Pass Policy will be reviewed. Student, parent, and administrator conference may take place. Students may participate in an appropriate community service or campus project.

Consequences:

Students who leave campus without an "off-campus" pass will receive penalties ranging from detention, Saturday School, or suspension through referral to alternative education. In addition, the school resource officer may cite students.

COMPUTER/INTERNET ETHICS

Students are expected to practice responsible and honest behavior.

The District does not have control of the information on the Internet, although it attempts to provide prudent and available barriers. Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. While the Grossmont Union High School District's intent is to make Internet access available to further educational goals and objectives, account holders will have the ability to access other material as well.

The District believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. But ultimately, the parent(s) and guardian(s) of minors are responsible for setting and conveying the standards that their students should follow.

The student and his/her parent(s) or guardian(s) must understand that student access to the Grossmont Union High School District Network is being developed to support the District's educational responsibilities and mission. The specific conditions and services being offered will change from time to time.

All students accessing the Internet agree to the following:

1. My use of the Grossmont Union High School District's Network must be consistent with the Grossmont Union High School District's primary goals.
2. I will not use the Grossmont Union High School District's Network for illegal purposes of any kind.
3. I will not use the Grossmont Union High School District's Network to transmit threatening, obscene or harassing materials.
4. I will not use the Grossmont Union High School District's Network to interfere or disrupt network users, services or equipment.

Interventions:

Responsible User Policy will be reviewed and the Digital Citizenship Webinar will be re-administered. Students may be assigned to in-school Mending Matters course or Saturday School.

Consequences:

The misuse of computers may result in a loss of computer privileges; or a drop from class on a first referral and/or a suspension from school and may also result in arrest and referral to alternative education or the Governing Board for expulsion if the misuse involves vandalism or theft.

DRESS CODE

Students are expected to help maintain a safe and non-disruptive environment in the school. In an effort to improve the atmosphere for learning in the Grossmont Union High School District, students will dress in a manner that reflects positively on themselves, their parents and their school. Just as adults must conform to workplace standards, so must students. Clothing must be in good repair and footwear must be worn at all times. The dress code is a dynamic document. Changes may be necessary at anytime during the year by the administration. Discretion may be used to determine appropriate attire for the classroom by the administration. Students and parents will be notified of any changes through the school bulletin and parent newsletter.

Unacceptable dress includes, in part, the following:

The student will be expected to make an exchange for the inappropriate clothing after school. Continuous defiance of the dress code will result in an After School Detention to suspension. The school, at no time, is responsible for confiscated items.

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel or headgear at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel or headgear that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 35294.1) Because gang-related symbols are constantly changing, definitions of gang-related apparel or headgear shall be reviewed at least once each semester and updated whenever related information is received.

ELECTRONIC DEVICES

Students are expected to maintain a safe environment in the school.

To ensure the safety of all students, to protect personal property, and to ensure the educational process is not disrupted, cell phones, iPods, MP3 players, cameras, CD players, portable speakers, radios and other recording devices should not be brought to school. In addition, electronic signaling devices (i.e. cellular phones and Chromebook) may only be used during instructional time at teacher's discretion.

- **To be drug, alcohol and weapon free.**
- **To maintain a safe environment in the school.**

A gang is any group of two or more people who conspire to break the law. This includes any act of threatening or intimidating behavior or vandalism. All "tagging" is considered gang-related and an act of vandalism. Students may not be in possession of notebooks, binders, books with covers or any other items, which display graffiti. In addition, students may not possess any type of marking pen (other than highlighters) or other items typically used to write graffiti unless under the direct supervision of a staff member. Students who "mad dog" or stare at other students, or who flash gang signs will be considered as exhibiting intimidating behavior.

Interventions:

Students will be referred to appropriate community resources like Mending Matters and campus support groups to address anger management, conflict resolution, and decision-making.

Students who intimidate others will receive consequences ranging from suspension through referral to the Governing Board for expulsion.

HARASSMENT

Students are expected to treat all members of the school community with respect.

Students may not intentionally engage in bullying or cyber-bullying behavior. Valhalla promotes an atmosphere in which all students and staff are courteous and accepting of one another. Offensive, crude, lewd and unacceptable words or actions will not be tolerated. Racial and ethnic slurs or any form of demeaning behavior is unacceptable. Some language or action may be considered intimidating and result in the most severe consequences.

Interventions:

Students may be referred to an administrator, and/or counselor, or participate in a peer mediation group to address anger management, conflict resolution, character education, and values clarification.

Consequences:

A referral will be written which describes the word, phrase or gesture used. This referral will be shared with the parent/guardians to enlist their assistance in affecting a change in the student's attitude and behavior. All students must complete the CHP Start Smart class prior to obtaining a parking permit; the schedule is on the school website. Parking stickers can be obtained before or after school and during lunch or break from any campus supervisor. The parking lot is out of bounds (see page 28) during

break and lunch. Students will not be allowed to go to their cars during class to retrieve or drop off items.

Only vehicles registered in the student's or parent's name, with proof of insurance in the vehicle, will be permitted to park on campus. Drivers must be in possession of a valid California Driver's License. Students who park in the staff or visitor areas may lose parking privileges, have vehicles removed and/or receive a citation from the deputy. Law Enforcement will make random, periodic stops at Valhalla. Students parking in Handicapped Zones, Fire Lanes, and No Parking Zones will be cited and possibly towed, receive a Saturday School assignment, or possible loss of privileges on campus for the remainder of the year.

UNSUPERVISED ACTIVITIES/GAMES/HORSEPLAY

Students are expected...

- **To behave in a safe and orderly manner.**
- **To maintain a safe environment in the school.**

Unsupervised activities and games are not permitted because of potential injury or disruption of the campus. No student may wander the campus unattended. Any student remaining after 3:10 p.m. may be asked to go to the detention center, which is in session until approximately 3:45 p.m.

Interventions:

Behavior expectations may be reviewed with a counselor. Student, parent, and administrator conference will take place.

JURISDICTION

(California Education Codes 48900, 48915)

All school rules will be enforced: (1) while on school grounds; (2) while coming to or going from school; (3) during school hours whether on or off

campus, including while truant from school; and, (4) during or while coming to or going from a school-sponsored activity.

SEARCHES AND SEIZURES

The law provides school officials with a wide latitude to search students, their possessions, and automobiles, in the ongoing effort to maintain a safe and secure campus. When a school official has a “reasonable suspicion” that a student may be in possession of contraband or dangerous objects, the student will be asked to empty all pockets and provide the official access to other personal items (backpacks, lockers, cars) which may contain contraband or dangerous objects. Reasonable suspicion may also warrant school officials' use of a metal detector to identify concealed weapons or a breathalyzer to determine if a student is under the influence of alcohol. It is hoped all students will be cooperative as the school official will make every attempt to be unobtrusive and respectful of privacy. Students should be aware that grounds for suspicion commonly includes being “out-of-bounds” without permission or a report by another student, parent or staff member of possession of contraband or dangerous objects. Students should also be aware that any contraband or dangerous objects found in their possession will be assumed to belong to them. Finally, if a student should discover contraband or dangerous objects on campus, he or she should go directly to a vice principal or other staff member and turn it over without delay. (Education Code 489050)

DEFINITION OF BEHAVIOR TERMS

1. Suspensions/Expulsions

Suspension or expulsion will be imposed only when other means of correction fail to bring about proper conduct. However, any pupil, including pupils with exceptional needs may be suspended--and possibly expelled--for any of the reasons enumerated in California Education Code section 48900 and 48915 (a), or if the school determines that the pupil's presence causes a danger to persons or property or threatens to disrupt the instructional process. Suspensions remove a student from campus from one to five days, after which time the student may return. Expulsion, by contrast, is a formal process that entails suspension and a hearing at the District Office to determine if a student will be dismissed from their current educational setting. Students who have been expelled by the Governing Board may not attend any school or program operated by the Grossmont Union High School District until the Governing Board acts to lift the expulsion.

2. Saturday School

This program is a disciplinary and/or attendance alternative and is held on Saturdays from 8:00 a.m. to 12:00 p.m. Students must bring either schoolwork or appropriate reading material; talking is not permitted. Students who fail to bring work or insist on talking/misbehaving will be sent home. Credit for attendance depends upon full cooperation with the teacher.

3. Detention

A teacher or administrator may assign detention. Detention may be held in a teacher's classroom at lunch or after school, to be determined by the teacher. Detention assigned by the Vice Principal will be held after school. Students must

bring something to read or schoolwork to do. Talking, sleeping, passes, cell phones and all other distractions are not allowed. Students who are tardy will not be allowed to enter.
